

Why Hire Our Workshop?

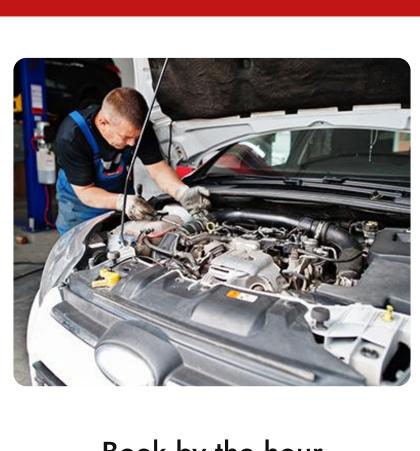

Professional-grade tools

wheels of a car do not actually come into contact with the road, while tires contact the road's surface.

Support from staff

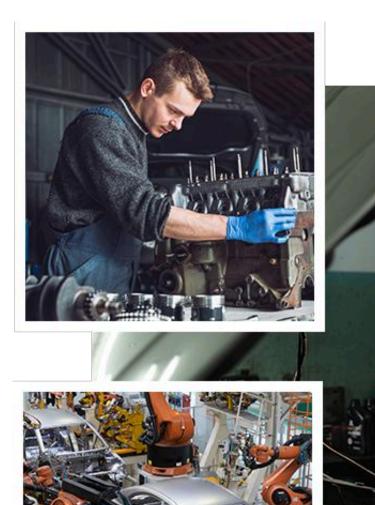

Cleaning and detailing of the car — this includes both the interior and exterior of the vehicle

Book by the hour

Perfect for cleaning all surfaces of the interior of vehicles without the risk of damage.

LEARN MORE ABOUT WORKSHOP HIRE

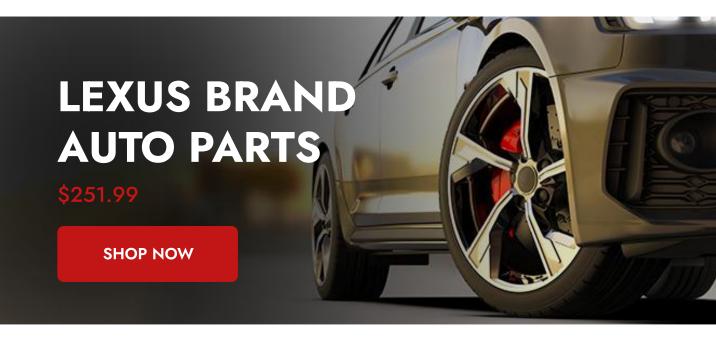

Built For The 4x4 Community

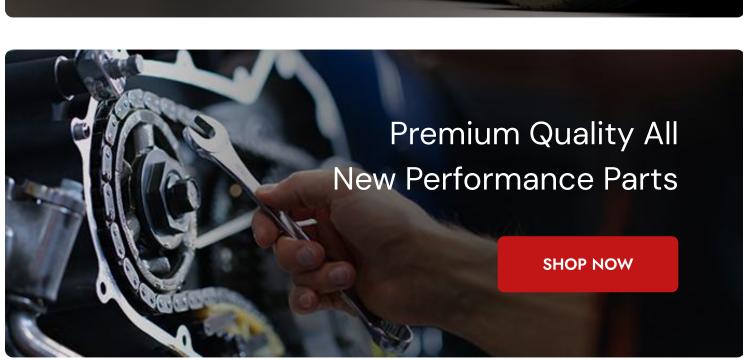

For business owners, investing in electric vehicle infrastructure can be intimidating. However, we are here to help. The benefits of EV technology are already being experienced and using by thousands of businesses just like yours

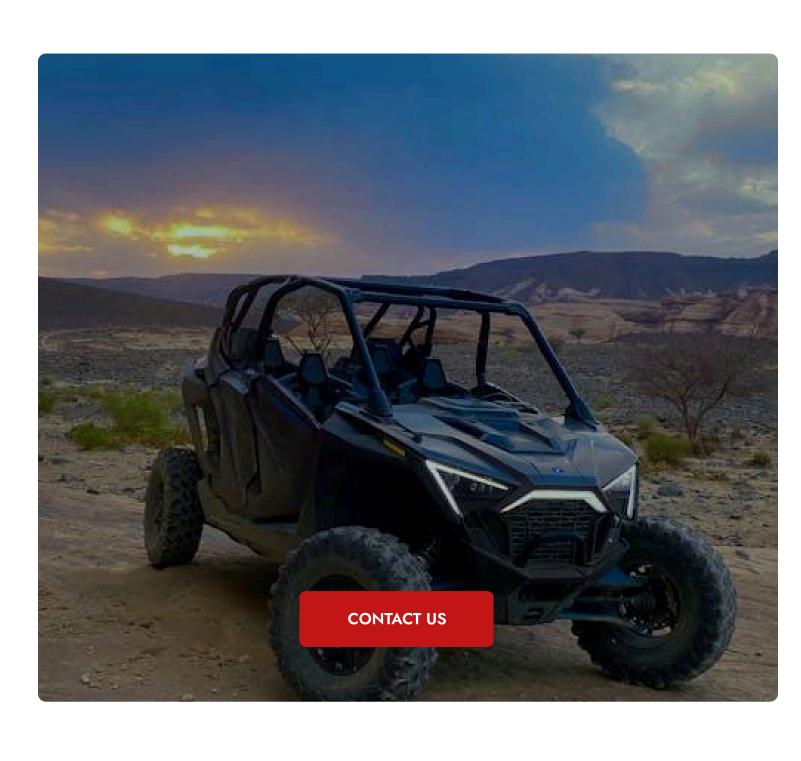

- Load balancing options to suit sites with power constraints
- Wall-mounted or floor-standing charge point solutions
- OZEV approved, allowing you to access grants

Call us 24/7. We can answer for All your questions. +01 (234) (5678) (90), +01 (234) (5678) (90)
